artist-info - the indispensable tool for your art world research

Make your exhibition history on paper interactive and searchable. More on art-exhibitions.com

Make your exhibition history searchable - Unfold its true value with artist-info.com

● To be able to ...

- add for you all missing exhibitions from your start until today
- with all artists in each exhibition
- with curators of an exhibition
- regardless if legacy or active today

● ... we would need

the following details for each exhibition

- start and end date
- all participating artists
- title and sub-title
- all participating curators

● Making your exhibition history interactive and searchable is an unrivaled advantage

About art-exhibitions in general see details on art-exhibitions.com

Your exhibition history speaks for your individual and unique profile. Making it searchable with artist-info.com is indispensable in a digitized world.

Daily, art professionals, academics, the press and art lovers are on our website to research artists and their profile based on our cross-linked exhibition history details, from 1880 up to the present.

We provide to them statistics and groundbreaking data visualization with visualizingartnetworks.com
